Mr. Murray Fisher
Playboy Magazine
919 N. Michigan Avenue
Chicago, Illinois

Dear Mr. Fisher:

In my husband's absence I have typed the rough draft of something he has written on the second installment of William Manchester's book as serialized in Look. He asked me to send it to you so you could have a sample of the accuracy of Mr. Manchester's work.

My husband will be home in about a week.

Sincerely,

Lillian Weisberg
